

"HELPING OTHERS ONE MAN AT A TIME"

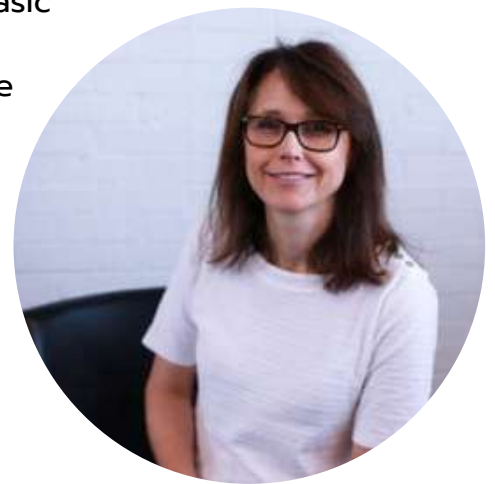

Another Chance House Events & Sponsorship Guide - 2025

A letter from your 2025 ACH President

First, I want to say thank you in advance for considering sponsorship of one of our events. As a business owner myself, I am always looking for ways to invest in my community that will have a meaningful impact. Another Chance House is one of those places where I have personally seen the impact that a gift can make. These men are looking to make a change and to find a better life for themselves and they can't do that without our help. And the truth is, this program works! It is such an encouragement to see these men pull themselves out of the pit they are in and find community and someone who sees them. That spark of hope is sometimes all it takes to show them that the work is worth it. Another Chance House gives these men the basic means to get a driver's license, get sober, find a job, and eventually become a productive member of society once again. If you are looking for a place to invest your resources and see visible evidence that you are making a difference, this is that place. In the Bible, when Jesus was asked what is the greatest commandment, he replied, "You shall love the Lord your God with all you heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: "You should love your neighbor as yourself." These men at Another Chance House are our neighbors and they need us. Thank you!

About Us

Another Chance House provides a positive path to a self-sufficient life for men who are homeless or at risk of homelessness.

Founded in 1988 by Father Aram Berard, Another Chance House is a non-profit provider of shelter, transitional housing, and long-term Veteran housing. Since then, Another Chance House has grown to 18 properties – transforming this drug-infested neighborhood into a haven of hope and self-respect for homeless men. Thousands of men have lived on our campus and rediscovered purpose, dignity, and self-sufficiency while living in the Another Chance House community.

Our residents serve as staff and board members. They remain involved with their Another Chance House family and often return to the campus to visit, share their knowledge and resources, and encourage our current residents.

Our program provides supportive services approximately 100-120 men per year, 60-65% of whom are Veterans. We strive to encourage these men to overcome addiction, repay outstanding legal or social obligations, find employment, and learn to live successfully with others.

Open House and ACH Celebrates

Here at Another Chance House, we love to host Open Houses! Weather-permitting, we schedule 3 Open Houses per year. Members of the community and/or businesses and organizations can attend our Open Houses to learn more about our campus, mission, and programs.

On the last Wednesday of every month, we host “ACH Celebrates” at 7PM. ACH Celebrates is a small event that encourages staff and members of the community to celebrate the men’s milestones, whether that be getting a driver’s license, securing employment, or a sobriety birthday - we at Another Chance House want to take the opportunity to celebrate every step in every man’s journey.

We also offer campus tours to groups, businesses, and organizations that are interested in learning more about Another Chance House and how to become involved. Campus tours include a meal cooked by Another Chance House staff and a tour of our Main House, Veteran’s House, transitional living houses, and duplexes, as well as the many campus amenities we provide such as the courtyard, the trailer where the men work on life skills, and our industrial kitchen. Please contact us if your group, business, or organization is interested in scheduling a tour.
